## Non-Surgical Facial Treatments

The leading technology in micro-current therapy, it was developed as a medical procedure to treat facial muscle loss. As we grow older our facial muscles naturally start to lose tone and elasticity. Using tiny micro-current electrical pulses to the facial muscles will help to tighten and combat loss of muscle tone.

**Non Surgical Lift** £50 • x 10 £450

The complete lift to the face. A course of 10 treatments, 2-3 a week to achieve the best results.

**CACI Ultimate** £75 • x 10 £675

Combining the micro lift with microdermabrasion, wrinkle comb, light therapy and hydratone, to give you the ultimate facial experience.

**Jowl Lift** £30 • x 10 £270

The specific treatment concentrates on the jowl only, giving intense, micro-current therapy to lift and firm the jowls.

**Party Pout** £20

A temporary pout designed to last 24-48 hours.

**New Eye Revive Treatment** £35 • x 10 £315

The eye revive treatment is a must have for anyone concerned with ageing and puffiness around the eye area. The treatment uses serum filled micro-current eye rollers which have a cooling effect to gently tighten and tone sagging muscles around the eye. This serum contains effective ingredients to reduce puffiness by up to 31% and dark circles up to 35%. Suitable for all to soothe tired, puffy eyes, combat dark circles and reduce lines and wrinkles. Can be also added to any facial treatment.

**Dermaplaning** £50

This is a exfoliation treatment that removes the top layer of dead skin cells and vellus hair (peach fuzz), by using a small sterile blade revealing a smoother, clearer and rejuvenated appearance.

**Microneedling** £175 • x 3 £445 • x 6 £895

The concept of needling is based on the skins natural ability to repair itself, immediately after an injury occurs to the skin, our bodies self repair mechanism works by creating micro injuries in the skin which triggers new collagen synthesis. The result is smoother, firmer and younger looking skin.
